Article 2

Property Subject To This Declaration

2.1 Property Hereby Subjected To This Declaration. The real property which is, by the recording of this Declaration, subject to the covenants, conditions, restrictions and easements hereinafter set forth and which, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied and encumbered subject to this Declaration is the real property described in Exhibit "A" attached hereto and by this reference made a part hereof.

2.2 Unilateral Annexation By Declarant. As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until ten (10) years after the recording of this Declaration to subject all or any portion of the real property described in Exhibit "B" attached hereto and by this reference incorporated herein, to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the county in which the property to be annexed is located a Supplementary Declaration describing the property being subjected. Declarant intends to annex hereto the property contained in Declarant's land plan for the development as amended from time to time which property is a portion of the property described in Exhibit "B". However, inclusion of property on Declarant's land plan or in Exhibit "B" shall not obligate the Declarant to subject such property to the Declaration, nor shall exclusion of property from the initial land plan bar Declarant from subjecting such property to the Declaration. Any annexation shall be effective upon the filing for record of a Supplementary Declaration unless a later effective date is provided

therein. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of existing Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property. If any land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

2.3 Other Annexation. Upon the written consent of: (a) the owner(s) thereof; (b) the Declarant; and (c) the Owners of at least two-thirds of the Units, the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the county in which the property to be annexed is located a Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration shall be executed on behalf of the Association by the President of the Association whose signature shall be attested by the Secretary of the Association. The annexation shall be effective only upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

2.4 Withdrawal of Property. Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Article for the purpose of removing any portion of the Community then owned by Declarant or the Association from the coverage of this Declaration, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Community, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community.

Article 3 Association Membership and Voting Rights

3.1 Membership. Every Person who is the record owner of a fee or undivided fee interest in any Unit that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Unit. Membership shall be appurtenant to and may not be separated from ownership of a Unit. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the spouse of a member, but in no event shall more than one (1) Person representing a single membership hold office at the same time. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of the officers and directors appointed by the Declarant.

3.2 Voting. Members shall be entitled to one vote for each Unit owned. When more than one Person holds an ownership interest in a Unit, the vote for such Unit shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting or referendum.

The vote attributable to a Unit shall be suspended in the event more than one Person seeks to exercise it. The Board of Directors may suspend the voting rights of an Owner for any period during which any past due assessment against any Unit of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws or rules and regulations.

3.3 Notice of Sale or Acquisition. Owners must keep the Association apprised of their name, address and telephone number. Accordingly, prior to the sale of a Unit, the Owner shall provide the Association with written notice of the name of the purchaser and the date, time and place of the closing. Upon acquisition of a Unit, each new Owner shall provide the Association with written notice of the name, mailing address and telephone number of the Owner and the names of the Occupants of the Unit. All Owners shall notify the Association of any change in name, address or telephone number.

Article 4
Assessments

4.1 Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners of Units, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

4.2 Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Unit, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) general assessments; (b) special assessments; and (c) specific assessments. All such assessments, together with late charges, interest (at a rate not to exceed the lesser of the maximum rate permitted by law or eighteen percent (18 %) per annum on the principal amount due) and costs of collection, including, without limitation, reasonable attorney's fees actually incurred, shall, from the time the sums become due and payable, be a charge on the land and shall be a continuing lien in favor of the Association on the Unit against which each assessment is made. The recording of this Declaration shall constitute record notice of the existence of the lien and no further recordation of any claim of lien shall be required. Each such assessment, together with such late charges, interest and costs, shall also be the personal obligation of the Person who was the Owner of the Unit at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Unit, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings. No Owner may waive or otherwise exempt themselves from liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Unit. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, the obligation to pay assessments being a separate and independent covenant on the part of each

provide an equal benefit to all Units, may be assessed equitably among all Units according to the benefit received.

4.6 Subordination of Liens to Mortgages. The lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Unit if, but only if, all assessments and charges with respect to such Unit authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior the satisfaction, cancellation or foreclosure of such Mortgage or the sale or transfer of the Unit pursuant to any proceeding in lieu of foreclosure or the sale of transfer of the Unit pursuant to a sale under power contained in such Mortgage. Such subordination is merely a subordination and shall not relieve the Owner of the Unit of the personal obligation to pay all assessments coming due during such period of ownership; shall not relieve such Unit from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's assignee or transferee by foreclosure or by sale under power); and no sale or transfer of such Unit to the Mortgagee or to any other Person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure or pursuant to a sale under power, shall relieve any existing or previous Owner of such Unit of any personal obligation or relieve such Unit or the then Owner of such Unit from liability for any assessment authorized hereunder become due after such sale and transfer.

4.7 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge in the amount of the greater of Ten (\$10.00) Dollars or Ten percent (10%) of the amount due. The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a claim of lien with the Office of the Clerk of Superior Court of Fulton County, Georgia, but no such claim of lien shall be required to establish or perfect the lien for unpaid assessments. Each Owner, by acceptance of a deed vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Unit at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also suspend the membership rights of the delinquent Owner, including the right to vote, the right of enjoyment in and to the Common Property (other than access to such

Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

4.3 General Assessments. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. The Board shall cause the budget and the assessments to be levied against each Unit for the year to be delivered to each member at least thirty (30) days prior to the due date of any general assessment. The budget and the assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote and the Declarant. Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget shall have been determined, as provided herein, the budget in effect shall continue. General assessments shall be levied equally on all similarly situated Units and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the assessment shall be paid semi-annually. General assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. General assessments may include, without limitation, sums for property taxes, insurance premiums, legal and accounting fees, management fees, charges for utilities (including all water supplied to the Community), cleaning and janitor services, Community trash collection as provided in Section 7.20 hereof, landscape maintenance, expenses and liabilities incurred as provided herein and in the Articles of Incorporation and Bylaws for indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.4 Special Assessments. The Association may levy a special assessment if approved by two-thirds (2/3) of the Total Association Vote and the Declarant; provided, however, in the event the total amount of special assessments allocable to each Unit does not exceed Three Hundred Dollars (\$300.00) in any one fiscal year, the Board may unilaterally impose the special assessment without the need for a vote of the Members. Special assessments shall be paid as determined by the Board. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.5 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to this Declaration and the costs of maintenance performed by the Association for which the Owner is responsible shall be specific assessments. The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Units may be specifically assessed equitably among all of the Units which are benefited according to the benefit received; and (b) expenses of the Association which benefit all Units, but which do not

Owner's Unit) and the right to receive and enjoy such servicing and other benefits as may then be provided by the Association, including without limitation, suspension of utility services provided by the Association, until all assessments, costs and re-connection charges are paid in full. Any such suspension shall not affect such member's obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent lien on such Unit in favor of the Association.

4.8 Date of Commencement of Assessments. The assessments provided for herein shall commence as to a Unit on the first to occur of the date that the Unit is first occupied for residential purposes; or is conveyed by Declarant to an owner who is not a successor Declarant. A Unit shall be occupied for residential purposes when it has been improved with a dwelling and has been conveyed to an owner who intends to occupy the dwelling as a residence, or, if the dwelling is occupied as a residence before such conveyance, the date of such occupancy. Assessments shall be due and payable in a manner and on a schedule as the Board of Directors may provide.

4.9 Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may: (a) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the annual, special and specific assessments collected by the Association in any fiscal year (such advances shall be evidenced by promissory notes from the Association in favor of the Declarant); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the Community. No Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan.

4.10 Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

4.11 Estoppel Letter. The Association shall, within five (5) days after receiving a written request therefor and for a reasonable charge, as established by the Board, certify to the amount of any unpaid assessments constituting a lien on a specified Unit. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Unit shall be binding upon the Association.

4.12 Initiation Fee. Upon conveyance of title to a Unit to an Owner, other than the Declarant or a successor Declarant, an initiation fee in the amount of Two Hundred and No/100 Dollars (\$200.00) shall be collected from the purchaser at the closing of such transaction and paid to the Association. The initiation fee shall constitute a specific assessment against the Unit, shall be in addition to, not in lieu of, the annual general assessment and shall not be considered an

advance payment of such assessment. The initiation fee may be used by the Association for any purpose, including, without limitation, for the payment of operating expenses of the Association and other expenses incurred by the Association pursuant to the provisions of this Declaration.

Article 5

In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, or the Occupants, family, guests, lessees or invitees of an Owner, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Owner as a specific assessment. Any common irrigation system installed by the Declarant or the Association shall be Common Property, operated, maintained, repaired and replaced by the Association. The deed of conveyance of any Unit shall not include any right, title or interest in such irrigation system, if any.

5.2 Owner's Maintenance Responsibility. Except for maintenance performed on a Unit by the Association pursuant to Sections 5.1, 5.3, and 5.4 hereof, all maintenance of the Unit and all structures and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Unit in a manner consistent with this Declaration. Such maintenance obligation shall include, without limitation, the following: prompt removal of all litter, trash, refuse, and waste; keeping improvements, and exterior lighting in good repair and working order; complying with all governmental health and police requirements; repair of exterior damage to improvements and; keeping driveways, walkways, and stoops in good repair.

In addition, Owners shall maintain any pipe(s), wire(s) and conduit(s) which serve only the Unit, whether said pipe(s), wire(s) or conduit(s) are located within or outside of a Unit's boundaries. In the event that the Board of Directors determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement deemed necessary. The Owner shall have ten days after receipt of such notice within which to complete such maintenance, repair or replacement, or, in the event that such maintenance, repair or replacement is not capable of completion within a ten-day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair or replacement and all costs thereof shall be assessed against the Owner and the Unit as a specific assessment.

5.3 Yard Maintenance As provided in Section 5.1 above, the Association shall maintain and keep in good repair the landscaping improvements located on the exterior portions of the Community, including green space and open space. Such maintenance shall include, but not be limited to, lawn mowing on a regular basis; tree and shrub pruning; watering landscaped areas; keeping lawn and garden areas alive, free of weeds and attractive. The Board of Directors in its sole discretion may leave portions of the Community as undisturbed natural areas and may change the landscaping in the Community at any time and from time to time or may, with the consent of the Declarant, change the level of yard maintenance performed or for example maintain front yards only. Any common irrigation system installed by the Declarant, an affiliate of Declarant or the Association shall be Common Property, operated, maintained, repaired and replaced by the Association. The deed of conveyance of any Unit shall not include any right, title or interest in such irrigation system, if any. The Board of Directors may promulgate rules setting forth the extent of landscaping maintenance to be performed by the Association and the rights of Owners with respect to adding or modifying landscaping improvements, including, for example allowing seasonal flowering plants in certain areas of the Community at the expense of the Owner.

5.4 Unit Maintenance. As provided in Section 5.1 above, the Association shall maintain the appearance of the exterior portions of all Units of the Community by periodically pressure-washing and painting as needed from time to time as determined by the Board of Directors, and repair, replacement, and maintenance of roof(s) serving the Units. The Board of Directors may promulgate rules setting forth the extent of maintenance to be performed by the Association and may assume responsibility for providing additional maintenance as long as Units have equal rights to maintenance. The Board of Directors may authorize the officers of the Association to enter into contracts with any Person or Persons to perform maintenance hereunder on behalf of the Association.

5.5 Conveyance of Common Property by Declarant to Association; No Implied Rights. The Declarant may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such conveyance

shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and maintained by the Association for the benefit of its members. So long as Declarant owns any property primarily for development and/or sale in the Community or Declarant has the right unilaterally to annex additional property to the Declaration, Declarant may, upon written notice to the Association, require the reconveyance by the Association to Declarant of any Common Property or any portion thereof, improved or unimproved, at no charge to Declarant, without a vote of the Owners/members of the Association, if the Common Property or portion thereof is: (i) found by Declarant to have been conveyed in error, (ii) needed by Declarant to make adjustments in property boundary lines, or (iii) reasonably determined by Declarant to be needed by Declarant due to changes in the overall scheme of development for the Community. The Association hereby constitutes and appoints Declarant as its agent and attorney-in-fact to accept on behalf of the Association any conveyance to the Association and to execute on behalf of the Association any and all documents, including, without limitation, deeds and transfer tax declaration forms, necessary or convenient to effectuate and document any such conveyance to the Association. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. The Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether or not any such property has been made available for the use of Owners. The Declarant may reserve, by lease, license, easement or otherwise such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association of any property shall create any rights, easements or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements or licenses are conveyed by the Declarant or the owner of such property to the Association or the Owners, as the case may be, by an instrument recorded in the real estate records of the county where the property is located.

5.6 Partition. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Units.

5.7 Condemnation. In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, the Association shall restore or replace such improvements so taken on the remaining Common Property, unless within 60 days after such taking, an alternative plan is approved by at least 75% of the Total Association Vote and the consent of Declarant. The provisions of this Declaration applicable to replacement or restoration of damaged improvements on the Common Property shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

5.8 Liability. Owners, Occupants and their guests shall use the Common Property and all portions of the Community not contained within a Unit at their own risk and shall assume sole responsibility for their personal belongings used or stored thereon. The Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be held liable for personal injury to any person, nor for loss or damage to personal belongings used or stored on the Common Property or any other portion of the Community. The Association shall not be liable for injury or damage to any Person or property (a) caused by the elements or by an Owner or any other Person, (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, or (c) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Nor shall the Association be liable to any Owner or Occupant for loss or damage, by theft or otherwise, of any property of such Owner or Occupant.

5.9 Measures Related to Insurance Coverage.

(a) The Board of Directors shall have the authority to require all or any Unit Owner(s) to do any act or perform any work involving portions of the Community that are the maintenance responsibility of the Unit Owner which will, in the Board's sole discretion, decrease the possibility of fire or other damage to any improvements located in the Community, reduce the insurance premium paid by the Association for any insurance coverage, or otherwise assist the Board in procuring or maintaining such insurance coverage. This authority shall include, but need not be limited to, requiring all Owners to turn off cut-off valves, which may now or hereafter be installed, during winter months for outside water spigots; requiring Owners to insulate pipes sufficiently or take other preventive measures to prevent freezing of water pipes; requiring Owners to install smoke detectors; requiring Owners to make improvements to the Owner's Unit; and such other measures as the Board may reasonable require, so long as the cost of such work does not exceed the amount of the annual general assessment applicable to the Unit in any twelve (12) month period.

(b) In addition to, and not in limitation of, any other rights the Association may have, if any Unit Owner does not comply with any reasonable requirement made by the Board pursuant to Section 5.10(a) above, the Association, upon fifteen (15) days' written notice (during which period the Unit Owner may perform the required act or work without further liability), may perform such required act or work at the Unit Owner's sole cost. Such cost shall be a specific assessment and a lien against the Unit and shall be collected as provided herein for the collection of assessments. The Association shall have all rights necessary to implement the requirements mandated by the Board pursuant to Section 5.10(a) above, including, but not limited to, a right of entry during reasonable hours and after reasonable notice to the Owner or Occupant of the Unit, except that access may be had at any time without notice in an emergency situation.

Article 6
Architectural Standards

6.1 General. No exterior construction, alteration or addition of any improvements of any nature whatsoever (including, without limitation, staking, clearing, excavation, grading, filling, construction of impervious surface, building, exterior alteration of existing improvements, storm and screen doors, storm windows, fencing, change in the exterior color of any existing improvement and planting and removal of landscaping materials), shall be commenced or placed upon any part of the Community unless, installed by the Declarant, approved in accordance with this Article, or otherwise expressly permitted under this Declaration. Any Owner may remodel, paint or redecorate the interior of structures on the Unit without approval hereunder. However, modifications to the interior of porches, patios and similar portions of a structure visible from outside the Unit shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme. This Article shall not apply to the activities of the Declarant, affiliates of the Declarant, nor to improvements by or on behalf of the Association. This Article may not be amended without the written consent of the Declarant until (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Unit has been improved with a dwelling for which a certificate of occupancy has been issued.

6.2 Guidelines and Procedures. Except as provided above, no exterior construction, addition or alteration shall be made unless and until plans and specifications shall have been submitted in writing to and approved by the Declarant. Such plans and specifications shall be of sufficient detail to allow the Declarant to make its review and to the extent required by the Declarant shall show the nature, kind, shape, height, materials and location of the proposed improvement. The Declarant may adopt written architectural guidelines and application and review procedures, which may provide for a review fee. The Declarant shall have sole and full authority to prepare and to amend, from time to time at its sole discretion and without notice, the architectural guidelines. The Declarant shall make the architectural guidelines available to Owners who seek to engage in construction upon all or any portion of the Community and such Owners shall conduct their operations strictly in accordance therewith. If the Declarant fails to approve or to disapprove submitted plans and specifications within thirty (30) days after receipt of all required plans and specifications, such approval shall be deemed to have been given. The Declarant shall be the sole arbiter of such plans and may withhold approval for any reason, including, without limitation, purely aesthetic considerations, and it shall be entitled to stop any construction in violation of any provision of this Declaration. Plans and specifications are not approved for engineering or structural design or quality of materials and by approving such plans and specifications the Declarant assumes no liability or responsibility therefor or for any defect in any structure constructed from such plans and specifications.

6.3 Limitation of Liability. Plans and specifications are not approved for engineering or structural design or quality of materials and by approving such plans and specifications the Declarant assumes no liability or responsibility therefor or for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, nor the officers, directors, members, employees and agents of any of them shall be liable in damages to

anyone submitting plans and specifications to any of them for approval or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans and specifications and every Owner agrees that such Person or Owner will not bring any action or suit against the Declarant, the Association or the officers, directors, members, employees and agents of any of them to recover any damages and hereby releases, remises, quitclaims and covenants not to sue for all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.

6.4 No Waiver. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring approval or consent of the Declarant, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications or drawings or matters whatever subsequently or additionally submitted for approval or consent.

6.5 Variances. Notwithstanding anything to the contrary contained herein, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration and the architectural guidelines if it determines that waiver of application or enforcement of the provision in a particular case is dictated by unique circumstances, such as, but not limited to, topography, natural obstructions, hardship, aesthetic considerations or environmental considerations and would not be inconsistent with the overall scheme of development for the Community. No variance shall (a) be effective unless in writing, (b) be inconsistent with the overall scheme of development for the Community, or (c) estop the Declarant from denying a variance in other similar circumstances. For purposes of this provision, the inability to obtain approval of any governmental agency or the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

6.6 Enforcement. Any structure or improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the Declarant, Owners shall, at their own cost and expense, remove such nonconforming structure or improvement and restore the land to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, the Declarant and its agents shall have the right to enter the property, remove the nonconforming structure or improvement, and restore the property to substantially the same condition as previously existed. In addition to, or in lieu of, the Association may elect to impose fines for non-compliance with this Article as provided in Article 11, hereof. All costs, including, without limitation, attorney's fees, may be assessed against the Unit as a specific assessment.

6.7 Architectural Review Committee. Until (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Unit has been improved with a dwelling for which a certificate of occupancy has been issued, the Declarant shall have the sole right, power and authority under this Article. There shall be no surrender of this right except

in a written instrument in recordable form executed by Declarant and recorded in the land records of the Clerk of the Superior Court of Fulton County, Georgia. Upon expiration or earlier surrender in writing of all or a portion of such right and authority, the Board of Directors shall automatically constitute the Architectural Review Committee of the Association, and shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant. After the termination of all rights of Declarant hereunder, the Board of Directors shall have all right, power and authority to review and approve building and construction activity within the Community and this Article shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were a reference to the authority of or action by the Board of Directors.

Article 7
Use Restrictions and Rules

7.1 Rules and Regulations. The Board of Directors may, from time to time, with the consent of Declarant and without a vote of the members, promulgate, modify or delete rules and regulations applicable to the Community. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the consent of Declarant.

7.2 Residential Use. Each Unit shall be used for residential purposes exclusively. Leasing of a Unit for residential occupancy shall not be considered a business or business activity. No trade or business of any kind may be conducted in or from a Unit, except that the Owner or Occupant in residence at the Unit may conduct business activities within the house so long as the business activity: (a) does not otherwise violate the provisions of the Declaration or Bylaws; (b) is not apparent or detectable by sight, sound or smell from the exterior of the Unit; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the Community; (e) does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the Community; (g) does not constitute a nuisance or a hazardous or offensive use; and (h) does not threaten the security or safety of other residents of the Community, all as may be determined in each case in the sole discretion of the Board of Directors. The Board may issue rules regarding permitted business activities. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) the activity is engaged in full or part-time; (y) the activity is intended to or does generate a profit; or (z) a license is required for the activity.

7.3 Signs. No sign of any kind shall be erected or displayed within the Community without the prior written consent of the Declarant or, after the termination of the rights of Declarant hereunder, the Board of Directors. Notwithstanding the foregoing, the Board, the

Declarant shall have the right to erect reasonable and appropriate signs. For-sale signs and for-lease signs are strictly prohibited in yards or windows. Security signs not larger than 18-inches by 18-inches and any signs required by legal proceedings may be erected upon any Unit. The provisions of this Section shall not apply to any Mortgagee in possession due to foreclosure of a first Mortgage or as grantee pursuant to any deed in lieu of such foreclosure. The Board may impose a fine of One-Hundred and Fifty and No/100 Dollars (\$150.00) per day for display of any sign in violation of this provision which is not removed within twenty-four hours after written demand is delivered to the Owner at that Unit.

7.4 Vehicles; Parking. Vehicles shall be parked only in appropriate parking spaces serving the Unit or other designated areas, if any. No on-street parking, other than in connection with special events as approved by the Board of Directors, shall be permitted within the Community. Notwithstanding the foregoing, the Declarant, and its agents, subcontractors and assigns shall have the right, during regular business hours, to park vehicles on any and all streets within the Community as needed in order facilitate the construction, development and build out of the Community. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, golf carts, trucks, campers, buses, vans and automobiles. The term "parking areas" shall refer to the parking spaces serving the Community and the spaces located in the driveway and garage serving a Unit, if any. No vehicle may be left upon any portion of the Community, except in a garage, for a period longer than five days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the Community by the Board of Directors. Any towed vehicle, boat, personal watercraft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go-cart, golf cart, commercial truck, camper, bus or mobile home regularly stored in the Community or temporarily kept in the Community, except if kept in a garage, for periods longer than 24 hours may be removed from the Community by the Board of Directors. Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal. No eighteen wheel trucks or the cabs of such trucks or trucks with a load capacity in excess of three-quarters of a ton shall be parked, kept or stored within the Community except during the time reasonably necessary to provide service or delivery within the Community.

If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Association's rules and regulations, the Board or agent of the Association may place a notice on the vehicle specifying the nature of the violation and stating that after twenty-four (24) hours the vehicle may be towed. The notice shall include the name and telephone number of the person or entity that will do the towing and the name and telephone number of a person to contact regarding the alleged violation. If twenty-four (24) hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six (6) months of such notice, the Board or agent of the Association may have the vehicle towed in accordance with the notice, without further notice to the Owner or user of the vehicle.

If a vehicle is parked in a fire lane, is blocking another vehicle, is obstructing the flow of traffic, is parked on any landscaped area, or otherwise creates a hazardous condition, no notice shall be required and the Board or agent of the Association may have the vehicle towed immediately. If a vehicle is towed in accordance with this subparagraph, neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage as a result of the towing activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow.

7.5 Animals and Pets. No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Unit, with the exception of dogs, cats or other usual and common household pets in reasonable number as determined by the Board. No pets shall be kept, bred or maintained for any commercial purpose. Dogs shall at all times when outside the Unit be kept on a leash or otherwise under control. All pets shall be registered, licensed and inoculated if and as required by law. Animal control authorities shall be permitted to enter the Community to patrol and remove unlicensed pets. An Owner shall not allow any animal waste to remain on the Common Property, Community open space, or any landscaped area maintained by the Association.

7.6 Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on a Unit. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Unit to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No plants, animals, device or thing of any sort shall be maintained in the Community whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Community by other Owners and Occupants. Without limiting the generality of the foregoing, no exterior speakers, horns, whistles, bells, or other sound devices, except security devices used exclusively for security purposes, screaming, shouting, excessively loud talking, fighting, raucous behavior, insobriety, playing loud music or television, use of any alarm, equipment, or device, mechanical or otherwise which creates or produces excessively loud sounds or any vibrations, or any conduct which creates any noxious or offensive odors outside a home shall be permitted, located, used or placed on any Unit, or any portion thereof. The inconvenience complained of shall not be fanciful, or such as would affect only one of fastidious taste, but it shall be such as would affect an ordinary, reasonable person as determined in a particular instance by the Board.

7.7 Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

7.8 Antennae. No exterior antenna, receiving dish or similar apparatus of any kind for receiving or transmitting of radio or video signals shall be placed, allowed or maintained upon any portion of the Community, including any Unit, unless approved in accordance with the provisions of Article 6 hereof; provided, however, no such approval shall be necessary to install (a) antennas designed to receive direct broadcast satellite services, including direct-to-home satellite services, that are one meter or less in diameter; (b) antennas designed to receive video programming services via multi-point distribution services that are one meter or less in diameter or diagonal measurement; or (c) antennas that are designed and intended to receive television broadcast signals. Owners shall install any permitted antennae on the rear of the dwelling unless an acceptable quality signal cannot otherwise be obtained.

7.9 Guns. The use of firearms in the Community is prohibited. The term "firearms" includes, without limitation, B-B guns, pellet guns, archery equipment and firearms of all types.

7.10 Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed or maintained upon any part of the Community by an Owner. The Declarant and the Association may erect any type of fence on the Common Property or elsewhere within the Community as they may deem appropriate or as necessary to satisfy the requirements of any law, regulation or governmental entity or for health and safety of Owners and Occupants.

7.11 Air-Conditioning Units. No window air conditioning units may be installed.

7.12 Lighting. Exterior lighting on any Unit shall not be permitted, except for: (a) approved lighting as originally installed on a Unit; (b) seasonal decorative lights; or (c) other lighting approved under and pursuant to Article 6 hereof.

7.13 Artificial Vegetation. No artificial vegetation shall be permitted on the exterior of any property.

7.14 Energy Conservation Equipment. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless approved in accordance with the provisions of Article 6 hereof.

No foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades or for any other purpose.

7.18 Storm and Screen Doors and Windows. Owners shall not add storm and screen doors and storm windows on any Unit without prior approval in accordance with the provisions of Article 6 hereof.

7.19 Drainage. Catch basins, retention ponds, detention ponds, drainage easement areas and related drainage facilities are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner may obstruct or alter the drainage flows after location and installation of catch basins, retention ponds, detention ponds, drainage swales, storm sewers or storm drains without approval in accordance with the provisions of Article 6 hereof.

7.20 Garbage Cans, Firewood, Etc. All rubbish, trash and garbage shall be regularly removed from the Unit and shall not be allowed to accumulate. No garbage or trash shall be placed outside the Unit, temporarily or otherwise, except on trash pick-up days as may be permitted by the rules and regulations of the Association. Rubbish, trash, and garbage shall be disposed of in sealed bags and either placed in the trash dumpster/compactor, or proper receptacles designated by the Board for collection.

7.21 Subdivision of Unit. No Unit shall be subdivided or its boundary lines changed except with the prior written approval in accordance with the provisions of Article 6 hereof. Declarant, however, hereby expressly reserves the right to subdivide and/or revise and re-record the subdivision plat of any Unit(s) with the consent of the Owner of the effected Unit(s) and to approve the revision and re-recording of any plat of any Unit(s) owned by any builder or developer, including, but not limited to, changing any Unit to Common Property or creating a public or private street over any Unit or property that was formerly a Unit, without the consent of any Person, other than the Owner(s) of such Unit(s).

7.22 Heating of Units in Colder Months. In order to prevent breakage of water pipes during colder months of the year resulting in damage to Units, increased common expenses, and increased insurance premiums or cancellation of insurance policies due to numerous damage claims, the thermostats within all Units shall be maintained with heating operating and at a minimum of fifty (50°) degrees Fahrenheit during the months of October, November, December, January, February, March, and April. Owners shall take all steps possible on a timely basis to keep heating equipment, including, but not limited to, the thermostat, in good working order and repair. At any time during the months specified above when the heating equipment is not working, the Owner shall immediately inform the Owners of the other Units of this failure of the equipment and of the time needed in order to repair the equipment and shall take reasonable steps to keep the Unit heated sufficiently to prevent the breakage of water pipes.

7.23 Garage Sales. The Association shall be entitled to enforce same by establishing such enforcement procedures as it deems appropriate, including levying fines for the violation thereof. In the event of a conflict between such provisions of state and local laws and such rules and regulations promulgated by the Association, the rules and regulations of the Association shall govern. Only drivers properly licensed to operate motor vehicles on the public roads within the State of Georgia may operate any type of motor vehicle within the Community. All vehicles of any kind and nature which are operated on the streets in the Community shall be operated in a careful, prudent, safe, and quiet manner and with due consideration for the rights of all Owners and Occupants.

Article 8
Restriction on Leasing

8.1 Leasing. In order to protect the equity of the individual Members, to carry out the purpose for which the Association was formed by preserving the character of the Community as a homogenous residential community of predominantly owner-occupied homes and by preventing the Community from assuming the character of a renter-occupied neighborhood, and to comply with the eligibility requirements for financing in the secondary mortgage market insofar as such criteria provide that the project be substantially owner-occupied, leasing of Units shall be governed by the restrictions imposed by this Article. Except as provided herein, the leasing of Units shall be prohibited.

8.2 Definitions.

8.2.1 Leasing means regular, exclusive occupancy of a Unit by any person(s) other than the Owner for which the Owner received any consideration or benefit, including, but not limited to, a fee, rent, gratuity or emolument. For purposes hereof the following shall not constitute leasing: (i) occupancy by a roommate of an Owner Occupant; (ii) occupancy by a member of the Owner's family, (iii) occupancy by one or more wards if the Unit is owned by their legal guardian, or (iv) occupancy by one or more beneficiaries of a trust if the Unit is owned in trust by the trustee.

8.2.2 Open Leasing Status. Any Unit that is designated as being in "Open Leasing Status" shall authorize a Unit to be leased at any time. For purposes of this Section only, a lease shall continue, regardless of extensions or renewals, for so long as the existing lessee remains as lessee. The lease shall terminate at such time as the existing lessee ceases to be lessee. Unless so converted to Restricted Leasing Status, a Unit designated as being in Open Leasing Status shall remain in Open Leasing Status until such time as title to the Unit is conveyed or transferred to another person or entity, after which conveyance the Unit shall be converted to Restricted Leasing Status regardless of the continued occupancy by the same lessee

unless the new Owner requests that the Unit remain in Open Leasing Status within ninety (90) days of said conveyance. Open Leasing Status may be temporarily conferred upon a Unit as provided in Section 8.4 below or may be applied for as provided in Section 8.3 below.

8.2.3 Restricted Leasing Status. Any Unit that is designated as being in "Restricted Leasing Status" shall prohibit a Unit Owner from leasing his or her Unit except as may be provided below. All Units shall be in Restricted Leasing Status unless converted to Open Leasing Status as provided in Section 13.3 below.

8.3 General. No Owner of a Unit in Restricted Leasing Status may lease his or her Unit if twenty-five (25%) percent or more of the Units in the Community are in Open Leasing Status, except as provided in Section 13.4 below for cases of undue hardship. In addition, no more than two (2) Units per building may be in Open Leasing Status at any time, except as provided in Section 13.4 below for cases of undue hardship. Any Owner of a Unit in Restricted Leasing Status may apply in writing to the Board of Directors for conversion to Open Leasing Status in accordance with rules and regulations promulgated by the Board of Directors. Upon receipt of such written application, the Unit shall be placed at the end of a waiting list for conversion to Open Leasing Status. At such times as less than twenty-five (25%) percent of the Units are in Open Leasing Status and if less than two (2) Units per building are in Open Leasing Status, the Board shall notify the Owner of the Unit at the top of the waiting list of its conversion to Open Leasing Status, and such Owner shall have ninety (90) days within which to lease the Unit or it shall automatically revert to Restricted Leasing Status. Any Unit in Open Leasing Status shall automatically be converted to Restricted Leasing Status if the Unit is not subject to an approved lease for ninety (90) or more consecutive days.

8.4 Undue Hardship. Notwithstanding the provisions of Section 8.3 above, the Board of Directors shall be empowered to allow reasonable leasing of a Unit upon application in accordance with this Article to avoid undue hardship, including, but not limited to the following situations: (1) a Unit Owner must relocate his or her residence outside the Atlanta metropolitan area and cannot, within six (6) months from the date that the Unit was placed on the market, sell the Unit except at a price below the current appraised market value, after having made reasonable efforts to do so; (2) the Owner dies and the Unit is being administered by his or her estate; and (3) the Owner takes a leave of absence or temporarily relocates and intends to return to reside in the Unit, in which case the Unit Owner must reapply every year for renewal of the hardship exception. Those Owners who have complied with this Section, have demonstrated that the inability to lease their Unit would result in undue hardship, and have obtained the requisite written approval of the Board may lease their Units for such duration as the Board reasonably determines is necessary to prevent undue hardship.

Any Owner who believes that he or she must lease his or her Unit to avoid undue hardship shall submit a written application to the Board setting forth the circumstances necessitating the leasing, a copy of the proposed lease, and such other information as the Board may reasonably require. Leasing in the case of undue hardship shall be permitted only upon the Board's written approval of the Owner's application. When an application is approved, the Owner shall provide the Board with the name and phone number of the lessee and the Owner's

address other than at the Unit and other such information as the Board may reasonably require within ten (10) days after a lease has been signed by both parties.

The Board shall have the power to make and enforce reasonable rules and regulations and to fine, in accordance with the Declaration and Bylaws, in order to enforce the provisions of this Section. Any transaction which does not comply with this Article shall be voidable at the option of the Board of Directors.

8.5 Leasing Provisions. Such leasing as is permitted by this Article shall be governed by the following provisions:

8.5.1 General. Units may be leased only in their entirety; no fraction or portion may be leased without prior written Board approval. All leases shall be in writing in a form approved by the Board prior to the effective date of the lease. The Board shall maintain in its files and, upon request, shall provide to any Owner a form which is deemed acceptable. There shall be no subleasing or assignment of leases unless approved in writing by the Board. All leases must be for an initial term of at least one (1) year, except with written Board approval, which shall not be unreasonably withheld in cases of undue hardship. Within ten (10) days after executing a lease agreement for the lease of a Unit, the Owner shall provide the Board with a copy of the lease and the name of the lessee and all other people occupying the Unit, the phone number of the lessee and the Owner's address other than at the Unit and other such information as the Board may reasonably require within ten (10) days after a lease has been signed by both parties. The Owner must provide the lessee copies of the Declaration, Bylaws, and the rules and regulations and the lease form shall provide that the Owner has made available to the lessee copies of the Declaration, Bylaws, and the rules and regulations. Nothing herein shall be construed as giving the Association the right to approve or disapprove a proposed lessee; the Board's approval or disapproval shall be limited to the form of the proposed lease.

8.5.2 Notice. At least seven (7) days prior to entering into the lease of a Unit, the Owner shall provide the Board with a copy of the proposed lease agreement. The Board shall approve or disapprove the form of said lease. In the event a lease is disapproved, the Board shall notify the Owner of the requisite action to be taken in order to bring the lease in compliance with the Declaration and any rules and regulations adopted pursuant thereto.

8.5.3 Liability for Assessments, Use of Common Property, and Compliance with Declaration, Bylaws, and Rules and Regulations. Each Owner covenants and agrees that any lease of a Unit shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the lessee, by occupancy of the Unit, agrees to the applicability of this covenant and incorporation of the following language into the lease:

8.5.3.1 Compliance with Declaration, Bylaws, and Rules and Regulations. Lessee shall abide and comply with all provisions of the Declaration, Bylaws, and rules and regulations adopted pursuant thereto and shall control the conduct of all other Occupants and guests of the leased Unit in order to ensure such compliance. Owner agrees to

cause all Occupants of his or her Unit to comply with the Declaration, Bylaws, and the rules and regulations adopted pursuant thereto and is responsible for all violations caused by such Occupants, notwithstanding the fact that such Occupants of the Unit are fully liable and may be sanctioned for any violation of the Declaration, Bylaws, and rules and regulations adopted pursuant thereto. In the event that the lessee or a person living with the lessee violates the Declaration, Bylaws, or a rule or regulation for which a fine is imposed, notice of the violation shall be given to the Owner and the lessee, and such fine may be assessed against the lessee in accordance with the provisions contained herein. If the fine is not paid by the lessee within the time period set by the Board of Directors, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the fine. Unpaid fines shall constitute a lien against the Unit.

Any violation of the Declaration, Bylaws, or rules and regulations adopted pursuant thereto by the lessee, any Occupant, or any guest of the lessee, is deemed to be a default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Georgia law.

8.5.3.2 Use of Common Property. The Owner transfers and assigns to the lessee, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Property of the Association, including, but not limited to, the use of any and all recreational facilities and other amenities.

8.5.3.3 Liability for Assessments. When a Unit Owner who is leasing his or her Unit fails to pay any annual or special assessment or any other charge for a period of more than thirty (30) days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the lessee during the period of delinquency, and, upon request by the Board of Directors, lessee shall pay to the Association all unpaid annual and special assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by lessee. However, lessee need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board's request. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental payments to lessor. If lessee fails to comply with the Board's request to pay assessments or other charges, lessee shall pay to the Association all amounts authorized under the Declaration as if lessee were an Owner. The above provision shall not be construed to release the Owner from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

8.6 Mortgagee Exemption. This Article shall not apply to any leasing transaction entered into by the Declarant, the Association or an institutional holder of any first Mortgage on a Unit who becomes the Owner of a Unit through foreclosure or any other means pursuant to the satisfaction of the indebtedness secured by such Mortgage.

Article 9
Insurance and Casualty Losses

9.1 Insurance on Common Property. The Association shall obtain the insurance coverage necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the U.S. Department of Veterans Affairs ("VA"), and the U.S. Department of Housing and Urban Development ("HUD"), as applicable to the Community. Accordingly, the Board of Directors shall obtain casualty insurance for all insurable improvements, if any, located on the Common Property, which the Association is obligated to maintain; provided, however, the Association shall not be obligated to obtain insurance for any portion of a Unit or the structures located thereon, which obligation shall be the sole responsibility of a Unit Owner as provided in Section 8.2 hereof. This insurance shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board of Directors shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million (\$1,000,000.00) Dollars. Policies may contain a reasonable deductible as determined by the Board of Directors. In addition to the other insurance required by this Section, the Board of Directors shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the policy is in force, or any lesser amount of fidelity coverage allowable under the applicable Fannie Mae guidelines. Fidelity coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation. All such insurance coverage shall be written in the name of the Association.

9.5 Individual Insurance. By virtue of taking title to a Unit subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Units and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry all-risk casualty insurance on the Unit and all structures constructed thereon and a liability policy covering damage or injury occurring on a Unit. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The policies required hereunder shall be in effect at all times and shall name the Association as an additional insured. Owners shall, if and when requested by the Board of Directors, provide evidence of such insurance coverage to the Board. In the event an Owner fails to obtain and maintain insurance as required herein, the Association may purchase such insurance on behalf of said Owner and specifically assess the costs thereof to said Owner as provided in Section 4.5 hereof.

9.6 Damage and Destruction -- Insured by Association. Immediately after damage or destruction by fire or other casualty to any portion of any improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five (75%) of the Total Association Vote and the Declarant. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the members of the Association, levy a special assessment against the Owner of each Unit. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition.

9.7 Damage and Destruction -- Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Unit shall be repaired by the Owner thereof within seventy-five (75) days after such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Unit and remove all debris therefrom within seventy-five (75) days after such damage or destruction and thereafter shall maintain said Unit consistent with the Community-Wide Standard.

Article 10
Mortgagee Provisions

10.1 Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage, who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Unit number, therefore becoming an "eligible holder"), will be entitled to timely written notice of: (a) any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Unit on which there is a first

Mortgage held, insured, or guaranteed by such eligible holder; (b) any delinquency in the payment of assessments or charges owed by an Owner of a Unit subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by the Owner of the encumbered Unit of any obligation under the Declaration or Bylaws of the Association which is not cured within sixty (60) days; and (c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

10.2 Audit. Upon written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of audited financial statements of the Association within 90 days of the date of the request.

10.3 No Priority. No provision of this Declaration or the Bylaws gives any Owner or other party priority over any rights of a Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

Article 11
Easements

11.1 General. Each Unit shall be subject to those easements, if any, shown or set forth on the recorded subdivision plat for the Community, as amended from time to time as well as the easements now or hereafter established by the Declarant in this Declaration or by any other document recorded in the Office of Superior Court of Fulton County, Georgia.

11.2 Easements for Use and Enjoyment. Every Owner shall have a right and easement of ingress and egress, use and enjoyment by the Owner and the Occupants of the Owners Unit in and to the Common Property which shall be appurtenant to and shall pass with the title to each Unit, subject to the following:

(a) the right of the Association to suspend the right of an Owner to use the Community recreational facilities, if any, for any period during which any past due assessment against any Unit of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws or rules and regulations;

(b) the right of the Association to charge reasonable admission and other fees for the use of Community recreational facilities, if any, to limit the number of Persons who may use the Community recreational facilities, if any, and to provide for the exclusive use and enjoyment of specific portions thereof at certain designated times by authorized users and their guests and invitees;

(c) the right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing or improving any facilities located or to be located thereon and, upon the affirmative vote of the Owners of at least

12.3 Occupants Bound. All provisions of the Declaration, Bylaws, rules and regulations, use restrictions and architectural guidelines which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants and the guests and invitees of Owners and Occupants. The Owner shall be responsible for insuring that the Occupants, the guests, invitees and licensees of the Owner and Occupant strictly comply with all provisions of the Declaration, Bylaws, rules and regulations, use restrictions and architectural guidelines.

12.4 Self-Help. In addition to any other remedies provided for herein, the Association, the Declarant, the Architectural Review Committee or their respective duly authorized agents shall have the power to enter upon any Unit or any other portion of the Community to abate or remove any structure, thing or condition which violates this Declaration, the Bylaws, the rules and regulations or the use restrictions. Unless an emergency situation exists, the violating Owner shall be given ten days' written notice of the intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after giving any notice required by law. All costs of self-help, including, without limitation, reasonable attorney's fees actually incurred, shall be assessed against the violating Owner as a specific assessment.

12.5 Termination of Rights of Declarant. The rights of Declarant to take, approve or consent to actions under this Declaration, the Articles of Incorporation and the Bylaws shall cease and be of no further force and effect upon the earlier of: (a) the date that the Declarant as the case may be no longer owns any property in the Community and Declarant no longer has the right to unilaterally annex additional property to the Community as provided herein and a certificate of occupancy has been issued for a dwelling on each Unit in the Community; or (b) the date of recording by Declarant in the real estate records of the county where the Community is located of a written instrument terminating all of Declarant's rights hereunder.

12.6 Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Units subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Units subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or private insurance company, including without limitation, the U.S. Department of Housing and Urban Development and the U.S. Department of Veterans Affairs, to insure or guarantee Mortgage loans on the Units subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Unit unless the Owner of such Unit consents thereto in writing. Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Owners hereunder nor shall it adversely affect title to any Unit without the consent of the affected Owner. The Board of Directors, with the written consent of the Declarant, and without a vote of the members may amend this Declaration for the sole purpose of electing to be governed by and thereafter

current address and phone numbers where they can be reached. Notices addressed as above shall be mailed by United States Registered or Certified Mail, return receipt requested, postage paid, or delivered in person, including delivery by private courier service. The time period in which a response to any such notice must be given or any action taken with respect thereto, shall commence to run from the date of personal delivery or the date of receipt shown on the return receipt. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to be receipt of the notice sent.

12.13 Perpetuities. If any of the covenants, conditions, restrictions or other provisions of this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until 21 years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

12.14 No Discrimination. No action shall be taken by the Declarant, the Association or the Board of Directors which would discriminate against any person on the basis of race, creed, color, national origin, religion, sex, familial status or disability.

12.15 Security. The Declarant or the Association may, from time to time, take steps to provide some measure of security on the Common Property of the Community; provided, however, neither the Declarant nor the Association is a provider of security and shall have no duty to provide any security on the Common Property or otherwise. The obligation to provide security lies solely with each Unit Owner individually. Neither Declarant, the Association nor any Owner guarantees or assures to any other Owner or to any other party whomsoever that any security measures taken by the Declarant, the Association or an Owner will in any manner whatsoever provide personal protection or security to any Owner or Occupant, their personal possessions or to guests or invitees, or to any other person, and each Owner, by the acceptance of its deed, shall have assumed the entire risk as between such Owner and Declarant or the Association for any loss or damage to person or property within the Community arising from any deficiency, failure or defect in any security measures or otherwise.

12.16 Indemnification. To the fullest extent allowed by the Georgia Nonprofit Corporation Code, and in accordance therewith, the Association shall indemnify every current and former officer, director and committee member against any and all expenses, including, but not limited to, attorney's fees, imposed upon or reasonably incurred by any officer, director or committee member in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer, director or committee member may be a party by reason of being or having been an officer, director or committee member. The officers, directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers, directors and committee members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall indemnify and forever hold each such officer, director and committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any

easement shall be used only for such period of time as is reasonably necessary in order to complete the maintenance or repair. The Owner exercising this easement right shall be liable for the prompt repair of any damage to the Unit over which this easement is exercised which arises out of such maintenance or repair work.

11.9 Easement for Drainage. There is hereby reserved to the Declarant and granted to the Association and the Declarant a blanket easement across the Community for creating and maintaining satisfactory drainage in the Community; provided, however, such easement area shall not include any portion of a Unit within the outer perimeter of the dwelling structure. This easement shall include the right to construct and maintain catch basins, retention ponds, detention ponds, drainage swales, storm sewers, storm drains, sloping banks, cut or fill.

11.10 Easement During Construction and Sale Period. Notwithstanding any provisions now or hereafter contained in this Declaration, the Bylaws, Articles of Incorporation, use restrictions, rules and regulations, architectural guidelines, and amendments thereto, Declarant reserves an easement across the Community for Declarant to maintain and carry on, upon such portion of the Community as Declarant may reasonably deem necessary, such facilities and activities as in the sole opinion of Declarant may be required or convenient for Declarant's development, construction and sales activities related to property hereby and hereafter subjected to this Declaration or nearby property being developed by Declarant, including, but not limited to: the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on or in the Community, including, without limitation, any Unit; the right to tie into any portion of the Community with streets, driveways, paths, parking areas and walkways; the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain and repair any device which provides utility or similar services including, without limitation, electrical, telephone, cable television, natural gas, water, sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; the right to grant easements over, under, in or on the Community, including without limitation the Units, for the benefit of neighboring properties for the purpose of tying into and/or otherwise connecting and using sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; the right to convert Units (with the consent of the Owner thereof) to Common Property and/or streets; the right to construct recreational facilities, utilities and other improvements on Common Property; the right to carry on sales and promotional activities in the Community; and the right to construct and operate business offices, signs, construction trailers, model residences and sales offices. Declarant may use residences, offices or other buildings owned or leased by Declarant as model residences and sales offices without charge. This Section shall not be amended without the written consent of Declarant until their respective rights hereunder have terminated as herein provided.

11.11 Easement for Private Streets, Sidewalks and Signs. Declarant hereby grants, conveys, declares, creates, imposes and establishes a perpetual, non-exclusive right-of-way easement for vehicular and pedestrian access, ingress and egress over and across the private streets within the Community, as depicted on the subdivision plat(s) recorded in the Office of the Clerk of Superior Court of Fulton County, Georgia. The right-of-way easement herein granted shall permit joint usage of such easement by (a) the Owners and Occupants, (b) the legal
